FELICIANO SCHOOL OF BUSINESS

Dean: Kimberly Killmer Hollister, Ph.D.
Assistant Dean: Elizabeth Rosini, M.B.A., Ed.D.

The Feliciano School of Business provides quality education to a diverse student body, our goal is to graduate students who are immediately effective in cutting-edge business organizations. Our undergraduate programs are of primary importance. We prepare our students for entry and mid-level managerial positions, entry-level professional specializations, and entrepreneurial roles. Further, we equip them with the capacity to identify their own goals and pro-actively to manage their lifelong career prospects.

To prepare our students for these roles, we must assure their mastery of:

- Thinking skills: logical, critical and integrated analysis; the capacity to exercise good judgment; creative and nontraditional problem solving; proficiency in ethical reasoning;
- Discipline-specific knowledge and competencies: e.g., information technology and quantitative skills appropriate to problem-solving in a real-world setting;
- Communication skills: proficiency in oral, written, presentation, and distance communication;
- Change management: understanding and shaping the forces of change, including globalization and using this understanding to formulate, evaluate, and select from alternative strategies to achieve sustainable competitive advantage;
- Self-development: the capacity to engage in the effective self-management of lifelong learning to achieve continuous professional and personal growth.

The School offers three undergraduate degrees:

- BS in Business Administration,
- BS in Accounting,
- BA in Economics.

The BS in Business Administration has the following concentrations:

- Business Analytics,
- Entrepreneurship,
- Finance,
- Hospitality and Service Management,
- International Business,
- Management,
- Management of Information & Technology,
- Marketing,
- Real Estate,
- Retail Merchandising and Management,
- Sports, Events, and Tourism Marketing.

The School also offers minors in Business, Economics, and Entrepreneurship. Internships and cooperative education experiences are available in many of the programs offered.
