

UNIVERSITY CATALOG

Welcome to the **2022-2023** Montclair State University Catalog!

The University Catalog provides our community with current information on Montclair State's colleges, schools, departments and academic programs, including requirements for graduation, descriptions and requirements of individual programs and course descriptions.

- Majors and Academic Programs (Undergraduate and Graduate) (<http://catalog.montclair.edu/programs/>)
- Undergraduate Degree Requirements and Graduate Degree Requirements (<http://catalog.montclair.edu/undergraduate-graduate-degree-requirements/>)

Academic Advising

Academic advisors located in the Colleges and Schools, and faculty advisors in each department will provide students with assistance in developing an academic program of study, choosing courses and planning for post-graduation career success.

For more information about Academic Advising, visit the related websites:

- Undergraduate Students (<https://www.montclair.edu/red-hawk-central/academic-advising/>)
- Graduate Students (<https://www.montclair.edu/graduate/>)

The Montclair State University Catalog is produced and maintained under the auspices of the Provost and Vice President for Academic Affairs. While every effort is made to provide accurate and current information, Montclair State University reserves the right to update its policies, regulations and requirements without notice.
