

# ANTHROPOLOGY (B.A.) (COMBINED B.A./M.A.T. TEACHING WITH TEACHER CERTIFICATION IN GRADES K- 6 AND TEACHER OF STUDENTS WITH DISABILITIES.)

A Combined Degree program enables undergraduate students to enroll in graduate courses in their senior year, which can be counted towards the completion of both their Bachelor's and Master's degree requirements.

The ability to take these "swing courses" allows students to earn both their Bachelor's and Master's degrees in a shortened period of time, typically within five years. Undergraduate students interested in this option can find more information regarding program requirements on the University's Combined Programs website (<https://www.montclair.edu/combined-programs/programs-of-study/>).

Students who wish to pursue K-6 teacher certification in Elementary Education must apply and be admitted to the Teacher Education Program. Please visit the Teacher Education Program website (<http://www.montclair.edu/cehs/academics/cop/>) for the required sequence of courses and other program requirements, guidelines, and procedures. Students are advised to review the Teacher Education Program Handbook.

120 credits of coursework is required for the baccalaureate degree with a minimum 3.0 overall GPA. Major GPA requirements differ depending on field of study. Consult the Teacher Education Program Handbook for more information.
