The communication and media landscape is changing very fast and the next generation of professionals in these fields needs to always be ahead of the curve. This program is ideal for you if you want to develop a critical approach to media and culture and learn how to analyze and create media for traditional, digital, and social media platforms. Through unique combinations of classes, the program will help you develop the aesthetic, critical, and technological skills that are essential for future market demands. The program resides in the School of Communication and Media (http://www.montclair.edu/arts/school-of-communication-and-media).

A minimum of 120 credits of coursework is required for the baccalaureate degree with a minimum 2.0 overall GPA, and a minimum 2.0 major GPA. However, more than 120 credits may be required depending upon the major field of study.

**Program Requirements**

Students must complete 42 credits of General Education requirements (http://catalog.montclair.edu/undergraduate-graduate-degree-requirements/general-ed-ba-bs) and 3-9 credits of World Languages and Cultures Requirements (http://catalog.montclair.edu/undergraduate-graduate-degree-requirements/world-languages-cultures-requirement).
