

ENGLISH WITH TEACHER CERTIFICATION IN ENGLISH (PRESCHOOL-GRADE 12) (B.A.) (COMBINED B.A./M.A. ENGLISH)

A Combined Degree program enables undergraduate students to enroll in graduate courses in their senior year, which can be counted towards the completion of both their Bachelor's and Master's degree requirements.

The ability to take these "swing courses" allows students to earn both their Bachelor's and Master's degrees in a shortened period of time, typically within five years of intensive study. Undergraduate students interested in this option can find more information regarding program requirements on the University's Combined Programs website (<https://www.montclair.edu/combined-programs/programs-of-study/>).

Students who wish to pursue P-12 teacher certification in English must apply to and be admitted to the Teacher Education Program. Please visit the Teacher Education Program website (<https://www.montclair.edu/center-of-pedagogy/>) for the required professional sequence of courses and other important Program requirements, guidelines, and procedures. Students also are strongly advised to review the Teacher Education Program Handbook. In addition to the courses listed below, ENGL 471 is the required teaching methods course for this program. Prerequisites for admission to the Program and current requirements may be obtained in the English Department or at montclair.edu/chss/english (<http://www.montclair.edu/chss/english/>).

120 credits of coursework is required for the baccalaureate degree with a minimum 3.0 overall GPA. Major GPA requirements differ depending on field of study. Consult the Teacher Education Program Handbook for more information.
