

EXERCISE SCIENCE (B.S.) (COMBINED B.S./M.S. ATHLETIC TRAINING)

A Combined Degree program enables undergraduate students to enroll in graduate courses in their senior year, which can be counted towards the completion of both their Bachelor's and Master's degree requirements.

The ability to take these "swing courses" allows students to earn both their Bachelor's and Master's degrees in a shortened period of time, typically within five years. Undergraduate students interested in this option can find more information regarding program requirements on the University's Combined Programs website (<https://www.montclair.edu/combined-programs/programs-of-study/>).

Program Requirements

Students in this combined degree program must complete the requirements for:

Exercise Science (B.S.) (<http://catalog.montclair.edu/programs/exercise-science-bs/>)

Athletic Training (M.S.) (<http://catalog.montclair.edu/programs/athletics-training-ms/>)

Graduate Swing Courses

A combined degree program allows students to complete 6-12 graduate credits ("graduate swing courses") while enrolled as an undergraduate. These courses count for both their bachelor and master's degrees. Graduate swing courses will count toward undergraduate free electives, unless noted otherwise.

The Graduate Swing Courses for this program:

Code	Title	Credits
ATTR 500	Foundations of Therapeutic Intervention and Critical Incident Management	3
ATTR 530	Risk Reduction, Wellness, and Health Literacy	3
ATTR 540	Assessment Evaluation and Diagnosis of Health Conditions I	3
ATTR 551	Clinical Experience in Athletic Training I	3
Total Credits		12

Recommended Roadmap to Degree(s)

This recommended five-year plan is provided as an outline for students to follow in order to complete their degree requirements within five years. This plan is a recommendation and students should only use it in consultation with their academic advisor.

Fifth year courses are taken at the graduate level, after matriculation into the graduate portion of this combined degree program.

First Year					
Fall	Credits	Spring	Credits	Summer	Credits
HPEM 199		1 Major Elective 1		3-4 PSYC 101 (Fulfills SEEDS: Exploration 2 – Analyzing Cultures and Societies)	3
