GLOBAL SECURITY AND DIPLOMACY MINOR

The Global Security and Diplomacy minor offers students the possibility of deepening their knowledge in the following areas of security and diplomacy giving particular attention to the study and practice of security and diplomacy, statecraft in the context of deep economic interdependence, geopolitics, and the politics of resource acquisition and exploitation. The minor should attract students with interest in global affairs and US foreign policy, and will prepare them for further study and careers in these areas.

The minor consists of three required courses (International Security and Diplomacy, International Relations, and Globalization and Security) and three electives for a total of 18 credits.
