

HUMANITIES WITH TEACHER CERTIFICATION IN ELEMENTARY SCHOOL TEACHER IN GRADES K-6 (B.A.)

The major in Humanities critically examines the culture, ideas, and values of earlier cultures, western and non-western, both in their original time periods and as they have been appropriated and transformed by later ages. In particular, the program seeks to develop a critical awareness of how the classical past has been utilized as a symbol or an ideal by modern cultures, including American, and how western culture has developed its own particular views about itself as being distinctly different from non-western cultures.

The major is especially recommended for students who have a broad interest in the liberal arts either for their own sake or as preparation for business and the professions. The Humanities program is unique in allowing students the opportunity to select a wide spectrum of courses from a multiplicity of different disciplines (history, literature, philosophy, religious studies, art history, music history).

Students who wish to pursue K-6 teacher certification in Elementary Education must apply to and be admitted to the Teacher Education Program. Please visit the Teacher Education Program website (<https://www.montclair.edu/center-of-pedagogy/>) for the required professional sequence of courses and other important Program requirements, guidelines, and procedures. Students are strongly advised to review the Teacher Education Program Handbook.

120 credits of coursework is required for the baccalaureate degree with a minimum 3.0 overall GPA. Major GPA requirements differ depending on field of study. Consult the Teacher Education Program Handbook for more information.
