

INTERNATIONAL BUSINESS MINOR

Overview

The International Business minor draws upon curricula from various functional areas in business including marketing, management, economics, finance, and hospitality to provide students a well-rounded understanding of international business. Students possessing this knowledge will gain a competitive advantage in today's workplace, as businesses are increasingly conducted on a global scale. This minor will benefit students who would like to work abroad or who would like to work in an organization that is engaged in business on a global scale.

Admission Criteria:

Overall GPA – 2.5

Not available to students in the International Business concentration of the Business Administration major
