SOCIOLOGY WITH TEACHER CERTIFICATION IN SOCIAL STUDIES (PRESCHOOL-GRADE 12) (B.A.)

Students who wish to pursue P-12 teacher certification in Social Studies must apply to and be admitted to the Teacher Education Program. Please visit the Teacher Education Program website (https://www.montclair.edu/center-of-pedagogy/) for the required professional sequence of courses and other important Program requirements, guidelines, and procedures.

Because Praxis exams in this area are heavily weighted towards history, we STRONGLY advise students to include History (as a second major ideally) as a primary component of their program. Students also are strongly advised to review the Teacher Education Program Handbook. The course SASE 401 is the departmental requirement.

The social studies teacher is expected to have a broad understanding of the cultural and environmental factors which shape the individual and society. To meet the approved program for certification in social studies, course work is required in each of the following:

- Anthropology, Psychology or Sociology
- Economics
- Geography
- History
- Political science

A detailed description of the requirements is available in the office of the Social Studies Teacher Education Coordinator in the College of Humanities and Social Sciences.

120 credits of coursework is required for the baccalaureate degree with a minimum 3.0 overall GPA. Major GPA requirements differ depending on field of study. Consult the Teacher Education Handbook for more information.
