

THEATRE MINOR

Program Overview

The Minor in Theatre provides an opportunity for students majoring in another area of study to develop their theatre skills and knowledge about the field. Coursework includes acting and stagecraft, as well as courses designed to provide an overview of theatre as a discipline and field. Students wishing to pursue the Theatre minor and have it listed on their transcript must proceed as follows:

1. Schedule and complete an interview/audition for acceptance into the program.
2. Complete the Minor Program sequence.
3. Request the Registrar, during the senior year of study, to certify on official Montclair State records the completion of the minor program of study.
