

UNDERGRADUATE AND GRADUATE DEGREE REQUIREMENTS

Undergraduate

A minimum of **120 credits** of coursework is required for the baccalaureate degree. A minimum of 32 credits of the total required for the baccalaureate degree must be completed at Montclair State. The final 24 credits must be taken at Montclair State and cannot be acquired through transfer (For active-duty service members, academic residency is limited to no more than twenty-five percent of the degree requirements for all undergraduate degrees. Academic residency can be completed at any time while active-duty service members are enrolled. Reservists and National Guardsmen on active-duty are covered in the same manner). A minimum **2.0 overall GPA** and a minimum **2.0 major GPA** is also required. However, more than 120 credits may be required depending upon the major field of study. Some majors have minimum GPA requirements higher than a 2.0. Specific requirements depend on date of entry or date of major declaration and vary from major to major. Students are advised to review the particular requirements for a bachelor's degree in their programs with their faculty advisors or academic advisors, and review their Degree Audit on NEST.
